EDUCATION

Front End Developer, Medieinstitutet

Sep 2022 - May 2024

Technology, Engineering, NTI's Gymnasium

Aug 2019 - Jun 2022

EXPERIENCE

Portfolios

[3D Interactive Portfolio](#) - Showcases my work, skills, and projects in a visually engaging way.

[React Portfolio](#) - A classic website presenting the same projects and skills in a traditional format.

Fullstack Developer Intern, Sponsorhuset

Sep 2023 - May 2024

[Mobile application](#)

- Successfully led the development of a native mobile application as part of the company's rebranding using React Native and Expo.
- Configured and integrated various APIs, e.g. bank transaction APIs for withdrawals and deposits.
- Built and deployed a server environment using AWS to handle the application's backend needs.
- Designed the application's user interface (UI) and prototypes using Figma.

[Browser extension](#)

- Developed and implemented a browser tool for the Chrome, Edge and Firefox using React.js.
- Resolved a longstanding issue where the browser extension would occasionally close upon page refresh by restructuring the timer management code to effectively handle session timeouts.
- Conducted unit tests to detect and address bugs.

Shift Leader, McDonald's

Feb 2022 - Nov 2023

- Compiled daily sales reports and ensured accurate transaction data.
- Responsible for stock management, opening and closing the restaurant.
- Trained and supervised new hires.
